### IBC Annual Meeting

The Indiana Bicycle Coalition will be hosting our annual meeting on Saturday, April 18th at the Monon Center in Carmel, Indiana. The annual meeting will commence at 10:30 a.m. and includes award presentations and a luncheon. IBC is pleased to announce that Ralph Taylor, Project Coordinator for the Mayor's Office of International & Cultural Affairs (ICA) will be our keynote speaker.

### Website Features

IBC has a new website with new capabilities including a blog which will feature different authors around the state, a forum for discussing various topics, and a new way to look at the Bicycle Resource Guide which appears more like a calendar. This calendar section will also feature other events and meetings happening around Indiana. We encourage you to check out all the new features, and start a discussion on our new forum.
